

Length (mm) with No Bleed

Please create a **vector** 1 point (pt) cut line in pink. This line must be the exact size of your magnet. Do not put any bleed outside of this line, it is not required.

Sending us your artwork

Files Under 15mb

eMail to:

sales@easysigns.com.au

Please include your contact information in the email.

Files Over 15mb

Upload to our FTP Server

Server : uploads.easysigns.com.au

User: esftp1

Password: Password2010

You will need an FTP client to upload files, we suggest:

PC - <http://www.cuteftp.com/>

MAC - <http://www.panic.com/transmit/>

Please email us after uploading to let us know what files are yours.

-  Formats accepted are PDF or EPS
-  All colours are to be saved as the CMYK match from the Pantone bridge book. Do not rely on colours printing as they look on your monitor. If you only have PMS colours our designers can adjust your file to the correct CMYK values.
-  Any bitmap images inside your document are to be saved to 100% size at 120dpi)
-  All text to be converted to Outlines or Curves.
